Loving Your Neighbor... Through Short-Term Missions

SAMS
**Short-Term
Mission Leaders
Training**
January 16-18, 2010
Ambridge, PA

SAMS History

For 30 years SAMS has been sending long-term missionaries to Latin America, Spain, and most recently, Africa.

Working in a variety of ministry areas, SAMS missionaries are committed to reaching out to people who have never heard the life-changing message of Jesus Christ.

Since 1993, SAMS has been sending out short-term teams from Anglican Churches throughout the U.S. to work alongside our missionaries in the mission field.

SAMS sees good training as an essential part of any missions endeavor. Our training is constantly evolving in order for us to prepare teams with cutting edge information and training techniques.

If you have already attended a SAMS training, we invite you to return. We'd like to share with you what we have most recently learned about cross culture ministry.

Training Content

SAMS Short-term Mission Leaders training program is designed to place well-prepared teams on the field by training the team leader how to train their team.

The training covers:

- Team Selection
- Budget and Fundraising
- Cross Cultural Orientation
- Spiritual Development
- Logistics
- De-briefing
- What to expect when your team returns home.

This training is educational, interactive, thorough and fun!

Training Dates

January 16-18, 2010

Schedule

**10:00 AM Saturday Morning
Thru
1:00 PM Monday Afternoon**

Objective

SAMS objective is to send Christ based mission teams who reflect God's love for all people. SAMS training will prepare teams to provide encouragement and necessary help to our neighbors and missionaries in Africa, Spain and Latin America.

"The seminar was thorough, addressing everything from logistical issues to the reasons why we do missions at all. I truly enjoyed the seminar and feel it was well worth my time and money!" Meredith Borel, **Director, Josiah Project**
