

Ministry Opportunities

Your team will serve with experienced Site Coordinators who are committed to showing the love of Christ to people who have been affected by Hurricane Katrina.

The coordinators will work with your team leader to place your team on a site that will maximize the skills of your team.

You may be cleaning up debris outside, cleaning out a house inside, serving food, or depending on your skill, you may be building or involved in carpentry of some type.

No matter what you are called to do, it will be something that is needed and greatly appreciated.

Ministry Locations

- 9th Ward, New Orleans, LA
- Gentilly area of New Orleans, LA
- St. Bernard Parish, LA
- Broadmoor Neighborhood of New Orleans, LA

Food, Housing, Transportation

You will have fellowship time with the individuals on your site. This time together will provide the opportunity to share why your team has traveled to the Gulf Coast to serve. You will be fresh listeners to people who need to talk about what has happened to them and to their families.

Your food and housing will be arranged by your site coordinator.

Your team will provide the financial resources for your food and housing as well as any transportation you might need while in the Gulf region.

Your coordinator will provide your team leader with information about your job as well as what tools and safety clothing will be needed for the job before you arrive on site.

If you fly, please make your team's flight arrangements into and out of the New Orleans International Airport or the Biloxi Gulfport Airport
